WARNING
BEWARE OF UNDERGROUND SERVICES.
The locations of underground services are approximate only and their exact position should be proven on site. No guarantee is given that all existing services are shown.

APPLICATION:
Residential environment where compression braking poses a safety problem. Not to be used where the speed limit exceeds 80 km/h or where steep grades are likely to require use of compression brakes.

COLOURED LEGEND:
- Black
- Retroreflective white
- Retroreflective yellow

NOTES:
1. Type A to be used at the perimeter of a defined residential or urban area, to reinforce the instruction of engine braking noise message.
2. Type B may be used on multi-lane roads if Type A is not appropriate size for that environment.
