

HIGHLIGHTS of the CONSULTATION RESULTS

Local businesses told us that proposed changes to locations of bus stops on Cavenagh Street would negatively impact them. This aspect of the project was reconsidered.

What was the feedback?

To provide an alternate solution to the proposed relocation of the bus bay on Cavenagh Street.

What is the result?

During construction of the Cavenagh Street / Barneson Boulevard intersection, the Cavenagh Street bus stop may be temporarily relocated elsewhere in the CBD for safety and congestion reasons.

Upon completion of construction the buses will start operating as normal from Cavenagh Street bus bay.
