Dear Stakeholder, 

As part of the NT Government’s Berrimah Area Plan, the Department of Infrastructure, Planning and Logistics is constructing a new intersection on Amy Johnson Avenue and a new industrial connector road, Flightpath Road, which will provide a vital access point to the Berrimah North land development. The new intersection with Amy Johnson Avenue will be located approximately 800 metres north of the Stuart Highway. 

Construction works are anticipated to commence in June 2019, with expected completion of the project in December 2019. Motorists can expect a change in traffic conditions such as reduced speed restrictions, lane closures and short delays. 

Working hours will be limited from Monday to Saturday between 7am and 7pm, and Sunday / Public Holidays between 9am and 6pm. 

Traffic signals at the new intersection will not be operational until the future duplication of Amy Johnston Avenue. 

For further information on the project, visit [www.dipl.nt.gov.au](http://www.dipl.nt.gov.au) or contact, Project Director Geoff Thomas at [geoffrey.thomas@nt.gov.au](mailto:geoffrey.thomas@nt.gov.au) or 0428 620 294.
