

HIGHLIGHTS of the CONSULTATION RESULTS

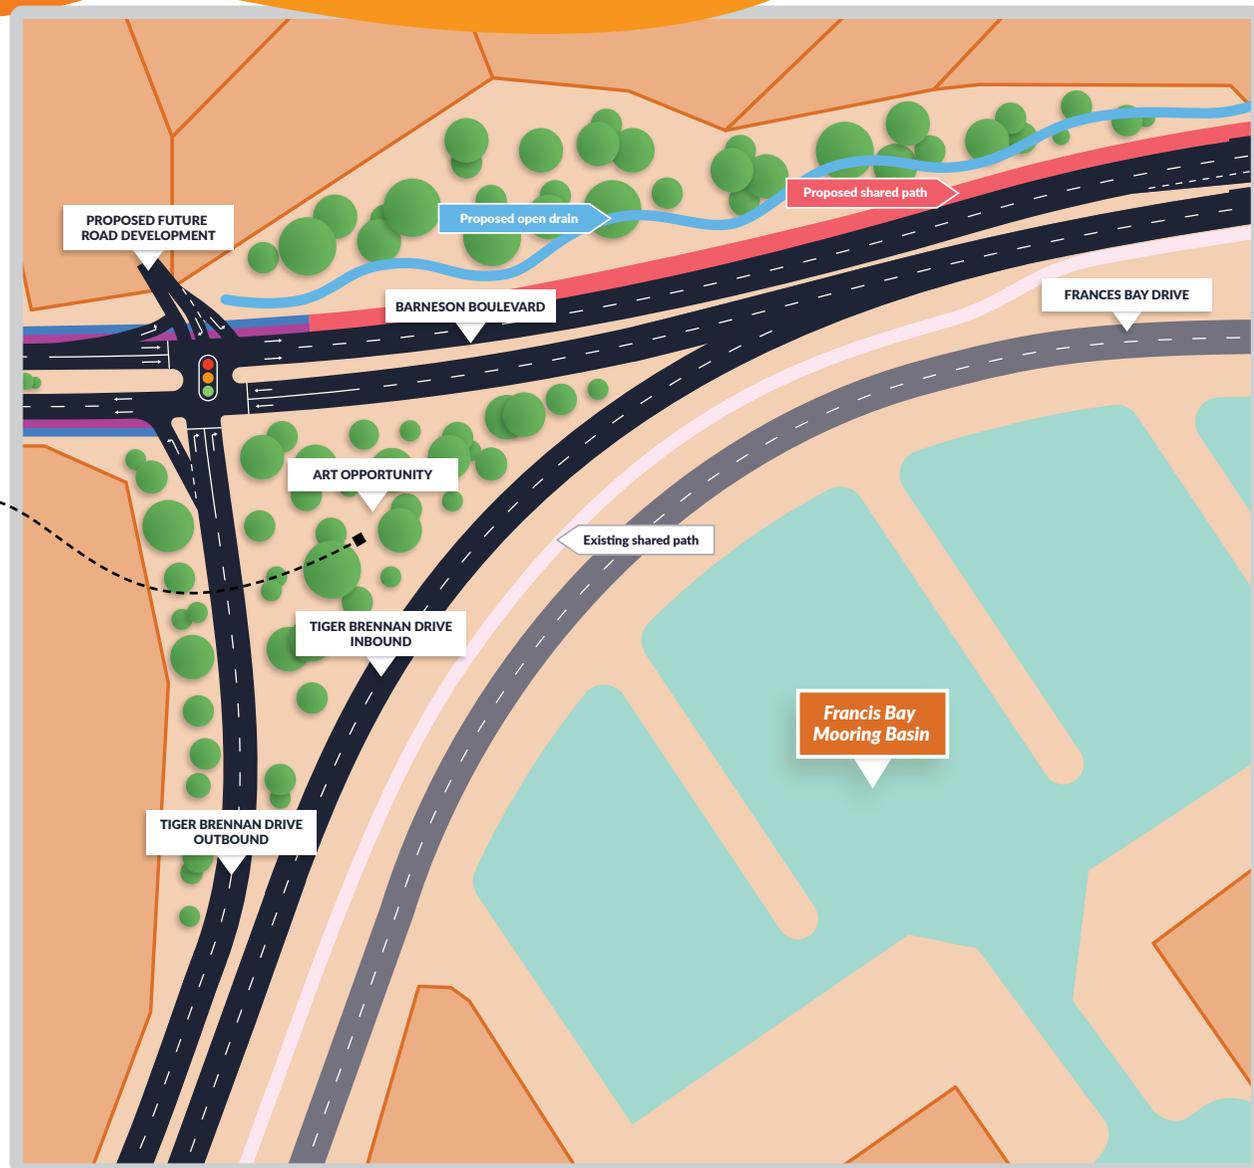

Along this new urban corridor, we will plan, in collaboration with the community, for art opportunities that promotes Darwin's appeal as a world class harbour city.

What was the feedback?

To provide public art space and a coordinated approach to planning this.

What is the result?

A new entry statement public art project will be created in conjunction with the project. The Darwin arts community and the public will have an opportunity to provide input into the planning for this element of the project.
